FOUNDATION PRICES

Foundations will be installed by the township at a cost of \$1.00 per square inch plus a \$56.00 layout fee, effective 11-12-14. Payment must be submitted with the foundation order.

Greenfield Township pours foundations twice a year, once in the spring before Memorial Day and once in the fall, after the Fairfield County fair. Foundations are poured two inches wider and longer than your requested size at no additional charge, to provide stability for the stone in coming years.
